Subscription Order Form

The annual print subscription price for **Cell Structure and Function** is US\$136.00. Subscribers receive two print issues per year, posted by sea mail.

Subscription fees may be paid by:

- international giro bank transfer (account no. 01070-1-27468)
- international postal money order*
- personal check*

* Money orders and personal checks should be made payable to the Japan Society for Cell Biology. Because of the high handling charges associated with changing dollars to yen, these payment methods incur an additional US\$16.00 handling charge.

Please enter my annual **Cell Structure and Function** print subscription at:

- US\$136.00 (for payment by bank transfer)
- US\$152.00 (for payment by personal check or money order)
